

UTA, 425 Jersey Street, S.I., NY 10301

Dear Friend,

Peace be unto you.

Thank you for your interest in becoming a member of Universal Temple of the Arts (UTA), a growing, non-profit community-based organization with a rich history in the making. For over 40 years, UTA has been a performing arts and educational institution with a unique blend of professional and community talent working and participating in our programs.

UTA offers free and low-cost workshops and classes in yoga, computer literacy, dance, environmental art, sewing, music, youth entrepreneurship and conflict resolution. Our programs are extended to everyone, and UTA has a strong focus on serving low-income families and at-risk youth.

UTA was founded in 1967 by Maurice Phillips an Artist/Philosopher/Teacher, and a group of young artists, who integrated their talents for the purpose of quickening the creative spirit in the individual and fostering brotherly love - through artistic, educational, cultural and civic activities. Your tax-deductible gift will help today's UTA artists and teachers to continue making a difference in our community, enabling many who have limited access and financial resources, to have the opportunity to participate in quality arts and educational services.

PLEASE SUPPORT US IN THIS WONDERFUL WORK. THANK YOU!

Sincerely,

Sajda Musawwir Ladner  
Artistic-Executive Director
